

CLUB COMMITTEE PROFILES

Antonia Baker – Treasurer

I have been involved with dogs since I was born and my family has always 1 or more dogs at any given time. I have 3 Dobermanns and you will see out tracking with them throughout the year.

I also have a young family, with 3 kids under the age of 5 years. As a result, you may only occasionally see me on Saturday mornings at training as our girls have sporting commitments most weekends.

I am involved in many aspects of dog sports and have successfully training and competed in Obedience, Agility, Tracking, Showing as well as Endurance Tests and Working Aptitude Certifications with our dogs. My husband, Graeme and I are also registered Dobermann

Breeders under the “SwanValley” prefix.

I work part-time for myself and manage the financial side of things for my own business as well as for Graeme’s Mining Consultancy Company.

I really enjoy tracking as you have to completely trust your dog to get you to the end. I remember very clearly, the feeling sheer appreciation, relief and awe when Cleo found that first article and went on to achieve her TD title last year (despite my best efforts to try and fail her by not trusting her and her nose).

The other reason that I have come to love tracking is because of the wonderful people associated with the club which has resulted in Trackwest having developed the reputation of being one of the best and friendliest clubs in WA.

I hope that in 2010 you all have a very successful season.
