

## CLUB COMMITTEE PROFILES

### ***Valeta Pethrick – Vice President & CALM Liaison Officer***

I first became involved in the dog scene well over 30 years ago, and since that time have been actively involved as a competitor and instructor for several clubs at both metropolitan and country areas of WA.

I am an Obedience, ET, Tracking, TSD, Agility and DWD judge and have been judging since 1989. I am Chairperson of the DogsWest Tracking Committee and Chair of the Board of Examiners for Tracking.

I am an instructor and Life Member of TrackWest and enjoy the training and camaraderie that our club offers.

I am currently training my young GSD bitch Seigen Im Impressive (Caddie), having achieved her TD last year and I hope to achieve her TDX & T.Ch titles this year. This will be my second Tracking Champion, my first was my GSD bitch (Misty) who achieved her Tracking Champion title a few years ago.
