

CLUB COMMITTEE PROFILES

Carol Freele – Secretary and WebMaster

I have been 'tracking' since 2004.

It is a sport which my dobermanns love as I need to trust them. It is totally different from the strictness of the obedience ring and much more natural than agility/jumping.

I spent a number of years watching, training and stewarding before building up my confidence to enter in trials.

I was glad that I did because within 3 years I had 2 tracking Champions. With this success I continued with Track and Search with my 12 year old dobermann gaining her TSDX title. In 2012 I will continue with T&S with Inde.
