I first joined TrackWest in 1997 with my Belgian Shepherd Tervueren "Rajah". We never did get very far but his daughter "Keeta" went onto achieve her Tracking Champion thus becoming a Dual Ch. During this time I was on committee as Secretary and then Editor and then Secretary

After a break I have rejoined the club and am thrilled to be back to looking forward to challenges ahead as I have recently successfully completed the Tracking Judges course. I will do everything I can to help others in the club learn about this fascinating sport.
